Kane in "Her Fame and Shame." A
Guest — Pauline Stewart in "The
Black Hawk"; Social Pirates,
the latest comedy.

At Spencer Square,
those who frequent their firm believe
that anyone will be interested to
know which one of them to justify it,
and the most remarkable is shown
in "Marguerite Clark's latest picture,"
The Valentine Girl. This is in the
same style as the others after Mar-
guerite's own, the excellence of
which may be measured by the
successes of the pictures she has
been crowned with the greatest suc-
cess ever achieved by a screen star.
George left that bit and "Little Mary"
were in the same family, so to speak.
The fact that George M. Cohan
deserted Broadway for an entire day in order
to journey to Mary Pickford's studio in
Fort Lee, N. J., really indicates
what energy he took up his new
field of endeavor. Under the capable
teachings of the popular girl whose
experiences before the cameras have
been crowned with the greatest suc-
cess ever achieved by a screen star,
George soon learned the inner mys-
teries of the film studio.

Divorce Yourself
from Pain and
Kidney Disorder

(By Dr. L. C. Bohmick.) Simple methods are usually the
most effective ones when treating any
disorder of the human system. The
more drinking of a cup of hot water
each morning, plenty of hot water
all day, and little water, double
strength, before every meal has been
found the most effective means of
overcoming kidney trouble. Death
would occur if the kidneys did not
work day and night in separating
urine and urea from the blood.

The danger signals are headache,
drowsiness, pains, restlessness,
irritability, headaches, rheumatism,
rheumatic diseases, swollen
joints, etc.

It is such a simple matter to step
into your favorite drug store and obtain
Anurex, which was first discovered
by Dr. Pierce of the Surgical
Institute, Buffalo. Every druggist
will sell it.

If the "Majestic,"
Then George M. Cohan appeared at
the Columbia Theatre, featuring
the Picture Girl as the picture
show of the American theatre today.
The Picture Girl drama was created
by W. C. Fields, Flanders' story
and was produced during the past sum-
mer in a popular magazine. It is a
curious tale.

All people in America and especially
those who are past middle age are
prone to eat too much meat and in
consequence deposit uric acid salts in
their tissues and joints. They often suffer from twinges of
rheumatism or lameness, sometimes
from goot, swollen hands or feet.
Such people are not always able to
exercise sufficiently in the outdoor air in order to sweat freely and excrete
impurities through the skin.
Anurex will overcome such conditions
as rheumatism, drooping swellings,
cold extremities, scalding and burning
skin and sleeplessness due to
constant need of getting out of bed
at night, by carrying off the uric acid poison. (Adv.)

The Success of America

In the War Depends Upon Agricultural Production

President Wilson urges the farmers to aid with abundant crops.

This is your chance to serve your country and become well-to-do in a short time.

If you mean business, I can tell you how to secure a 540-acre Free Government Homestead in Wyoming; also where you can secure splendid improved land in Nebraska or Colorado on mighty attractive terms—if you act before it is too late.
